- ✓ Chewproof
- ✓ Patented orthopaedic design
- ✓ Choice of durable frames and fabrics
- ✓ Easy to clean and deodorise
- ✓ Full 1 year guarantee

Experience the Kuranda difference. Kuranda Dog Beds are extremely durable and are easy to assemble. Our Standard and Aluminium beds come with easy to follow instructions and the legs can be removed for ease of transportation.

With sales of over 3000 beds in the last 2 years, KDB's reputation as simply the best dog bed available on the market is now second to none. Our clients include breeders, animals shelters, boarding kennels and domestic pet owners.

GUARANTEED CHEWPROOF FOR ONE FULL YEAR

What other dog bed is guaranteed chewproof!

Our chewproof guarantee covers the structural integrity of the frame and fabric for a period of one year from date of purchase. Therian will replace fabrics and frame parts, including legs and corner fittings at no charge.

STANDARD DOG BEDS

Made from a high grade poly-resin PVC our patented design provides firm, orthopaedic support that no pillow or cushion can match. Designed with the fabric panel tucked inside a PVC frame – safely protected from chewing dogs! Unique beds for the home, yard, kennel, shelter or anywhere a deserving dog needs a comfortable resting place. Available in 6 sizes from Toy to XX Large with a choice of Ballistic Nylon or 40oz Vinyl fabric in a range of colours.

Chewproof

SIZE	LENGTH	WIDTH	HEIGHT
TOY	64cm	46cm	15cm
SMALL	76cm	51cm	15cm
MEDIUM	88cm	59cm	15cm
LARGE	101cm	66cm	15cm
X-LARGE	112cm	70cm	23cm
XX LARGE	128cm	91cm	23cm

40 OZ VINYL

This is our most durable fabric. The heavy duty material has shown to hold up better than any fabric we have tested in animal shelters and boarding kennels. It is a smooth, non-porous, easy to clean fabric similar to what is used on truck tarps and gym mats and can withstand strong digging from aggressive dogs.

BALLISTIC NYLON

This fabric has a rich appearance and is the same fabric frequently used in making luggage. Many kennel owners and breeders who prefer a canvas type material choose Ballistic Nylon. This excellent fabric also has a waterproof coating so it will puddle if rained on.

ALUMINIUM DOG BEDS

Our Most Durable Bed

This option is recommended for the toughest of dogs. Guaranteed chewproof, the aluminium frame is superior in strength and prevents the bed from bowing in along the sides under the weight of very large dogs. The legs can be easily removed for ease of transportation. The finish is satin gray. Available in 6 sizes from Toy to XX Large with a choice of Ballistic Nylon or 40oz Vinyl fabric in a range of colours.

Superior in strength

Non-Corrosive

Chewproof

HOW ARE THE BEDS CHEW PROOF?

Kuranda Dog Beds are designed with a poly-resin sleeve to protect any place the fabric is in a position to be chewed. There are no corner gaps to bite. The image below shows how the fabric fits into the frame of the bed to ensure your dog cannot reach the fabric.

Caution: Fabrics are vulnerable to tearing by persistently scratching or digging dogs.

ULTRA PLUSH MICROSUEDE SLIP COVER

DELUXE FLEECE PAD

Add a thick double sided fleece pad on top of your Kuranda bed to provide your pet with maximum softness and comfort. Machine washable. Includes elastic straps at each corner to secure the pad to the bed. *The fleece pad is not recommended for dogs that chew.

Accessories

BUNK BEDS

For those who want to sleep together!

What is better than one Kuranda dog bed? Two! The new bunk bed is the perfect solution for limited floor space for multiple dogs. They can enjoy the orthopaedic comfort from the top dog view, or the security of the lower bunk. The bunks which are a little higher with each bed size are specially designed at optimum shoulder height for dogs to jump onto. The Bunk Beds come in either the Standard or Aluminium frame. Available in Medium / Large / XLarge.

CAT BEDS

Purrfect for cats too!

Kuranda Cat Beds provides the same orthopaedic comfort as our dog beds. It allows cats the opportunity to jump up to another level increasing their amount of floor space. The PVC frame and solid vinyl fabric is non porous and can be easily wiped clean. Bed size is 64cm x 46cm and is available in a range of sizes from 1 through to 9 stacks high which fit easily together to provide your cat with hours of fun and comfort.

SUITE BEDS

For the Executive Pooch!

For that extra touch of elegance we have added a headboard to our original elevated metal framed dog bed. This large designer dog bed satisfies even the most discerning pooch. We recommend our Golden Fleece for an even more comfortable sleep. The dog bed utilises aluminium legs and a steel tube frame. Available with either Ballistic Nylon or 40oz Vinyl fabric in Medium / Large / X Large sizes.
